Strategy into Actions

"Hasse and Anneli in a very systematic and delicate way facilitated our management team in updating our group strategy and shaping it to a communicative and executable form. Nice people to work with, always positive and constructive with the necessary drive for accomplishment."

Kari Blomberg, Managing Director, SKS Group Oy

"Hasse was a good sparring partner for our executive team in strategy creation and execution. The use of Strato-Metrics and Hasse's sparring of the new organizations management teams was very helpful."

Antero Jännes, Managing Director, Gasum Oy

Human Energy for Better Productivity and Perfect Projects

"The energy card game was pleasant. Participants had a chance to openly tell their opinions. Ideas came, and we have acted on them. Improvements have been made. Productivity has risen. This process gave a positive message to personnel."

Mikael Fjäder, Business Line Director, Rudus Oy

"The energy game created an open, honest and deep going discussion about current project status. The total process was very useful and effective in a short time frame. Constructive atmosphere helped to generate recommendations for future project work. "

Tuomo Hulkkonen, Director, Project Management, ANDRITZ Oy Recovery and Power Division

Leadership skills development

"The Denison LDS 360 Feedback gave us valuable insights."

Risto Murto, President and CEO, VARMA

"Managers have found Hasse's Work Wellbeing / Work Ability related learning modules and facilitation style inspiring and practical."

Katriina Ahtee, OHS Director, Kesko Oyj

Hanna Laavainen, Manager, Leadership Development, Kesko Oyj
