PACKRAFT ADVENTURES

Let it flow! Welcome on a Packraft adventure - a new, exciting and fun way to hike in nature. Packrafts, i.e. backpack rafts, open the door to previously unreachable nature destinations. On the tour, you move mainly by paddling and sometimes by walking short distances - carrying a raft. Packraft tours are organized in flowing waters or can be used to go around the route of several small lakes. No previous paddling experience is required. The rafts are stable and safe to paddle, and very light to carry. Our experienced guides will introduce you to the secrets of the sport, take care of your safety and make sure you enjoy every moment.
