

Gerbera rug CAL

Designer Anne Vierimaa / Anceliga Design

In Spring 2020, I asked my Facebook group, Anceliga Design's Yarn Garden, a question. I was happily surprised that most of you wanted me to design a rug. This was such an exciting design to do, and it only took me a bit over a week to get the prototype ready. And of course, the name is related to the garden and flower theme and I named it the Gerbera Rug.

The Gerbera rug CAL starts in June 12. 2020. The CAL runs for a total of 2 weeks 12.6 – 22.6.2020. Patterns are published 2 parts per week, on Friday and Monday at 12:00 (Finland time zone UTC + 3). It has total of 4 parts

Part 1	12.6.2020
Part 2	15.6.2020
Part 3	19.6.2020
Part 4	22.6.2020

The sample rugs are made of:

- Lankava Lilli Tube Yarn (3 colors). Finished rug weight almost 5 kg and diameter 140 cm
- Lankava Mini Tube Yarn (yellow). Finished rug weight 1.4 kg and diameter 100 cm
